The CNY Secure Business Initiative

An initiative from the partnership of Syracuse
Information Security Evaluation (SISE) with
the CASE Center and the Systems Assurance
Institute (SAI)

To take advantage
of this unique
opportunity,
please contact:

Kathryn Stam
Associate Director,
SISE Project
School of Information
Studies
Phone: 315.443.5692
Fax: 315.443.5806
E-mail: krstam@syr.edu

Bring the **CNY Secure Business Initiative**
to your **CNY business** and receive a **FREE**
security assessment

The CNY Secure Business Initiative will help your
business develop a plan that will focus on:

- Developing the capacity and scope of your business' information security capabilities
- Ensuring the security and privacy of your company, employee and consumer records involved in online and offline transactions
- Providing feedback for information processes to improve internal operations and develop process efficiencies while maintaining information security
